Featuring an outstanding set of farmer and breeder bulls and a great set of females, including 23 heifer calves suitable for 4-H and FFA work.

# SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Missouri Department of Agriculture and the Northeast Missouri Shorthorn Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri and only those animals representing the top 50% of the breed are awarded ribbons and premium monies.

## SHOW CLASSIFICATION

**Grade A — (Superior) — Blue Ribbon — represents the 15% or less of the breed**

These animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality and breed character.

**Grade B (Good) — Red Ribbon — represents the next 35% of the breed.**

These animals are good enough to use in some purebred and most commercial herds.

**Grade C (Unclassified) — No Ribbon**

These animals are below average for the breed.

## NOTE:

**ALL ANIMALS MUST SHOW AND SELL TO RECEIVE AWARD MONIES**

Show starts at 9:00 a.m.

Judge: Elizabeth Coon, Bethel, Mo.

## MEETING

The Northeast Missouri Shorthorn and Polled Shorthorn Ass'n will hold its annual banquet and meeting at the Monroe City High School Cafeteria at 7:00 p.m., Friday, March 21.

EVERYONE IS INVITED TO ATTEND. PLEASE COME!

# GENERAL INFORMATION

**TIME** — The show will get underway at 9:00 a.m. and the sale at 12:30 p.m., Saturday, March 22.

**LOCATION** — Purebred Sale Pavilion, on the east edge of Monroe City.

**TERMS** — Terms of this sale are cash unless other arrangements have been made with the owners and the sale manager is notified.

**GUARANTEE** — All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association. Statements from the block take precedence over footnote material.

**LIABILITY** — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

**REGISTRATION CERTIFICATE** — A certified registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

**HEALTH** — All cattle are absolutely healthy in every respect and will have passed T.B. and Bangs tests within 30 days of the sale. Health certificates will be furnished with each lot to meet the requirements of any state or territory.

**LUNCH** — Will be available at the grounds.

**LODGING** — There are several good motels in Monroe City.

**AUCTIONEER** — Dick Kane, Wisner, Nebraska.

**SALE MANAGER** — A.S.A. Sales Services, 8288 Hascall Street, Omaha, Neb. 68124.

**BANQUET - MEETING** — Will be held at the Monroe City High School Cafeteria at 7:00 p.m., the evening of March 21.

Here is a former bull champion at this event, shown by Maurice Wayne Forbis, Madison, consignor of a bull and two females to this sale.

## PROFITABILITY WINNERS

Early in 1974, a group of Shorthorn steers were declared the "Profitability Sweepstakes" reserve champions at the Beef Expo, Sterling, Colo. This honor was based on a combination of gaining ability, feed efficiency and grade. It is interesting to note that not a single exotic group could match this achievement.

With the future pointing to more grass fed beef, Shorthorns and Polled Shorthorns stand in their greatest position in history. NO BREED CAN PUT ON MORE QUALITY POUNDS ON ROUGHAGE THAN OUR BREED. Consequently, all progressive commercial beef producers will be looking to Shorthorns for that extra grade they give on low cost feeds.

In recent years we have seen a trend to bigger cattle. Now, these cattle need the help of Shorthorn blood to improve fertility, ease of calving, extra milk (and accompanying heavier weaning weights), finishing qualities and grading merits.

**REGARDLESS OF THE BREED OF YOUR COW HERD, SHORTHORNS AND POLLED SHORTHORNS CAN MAKE THEM MORE PROFITABLE. TRY THE "PROFIT CROSS".**

# STANDARD GUARANTEE

## OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. Bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within six months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction on all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
